5. Acknowledgements and consents.

You request BankSA to change the rewards program linkage of your Amplify card(s) and credit card account to the new program you have selected above. You acknowledge and agree that:

- You have read, understood and accept the terms and conditions applicable to the selected rewards program, which will apply the earning of points using your Amplify card(s) and credit card account when your switch is processed.
- BankSA may decline your request in its discretion, including if your Amplify credit card account is not in order.
- Any transactions on your card(s) posted to your Amplify account before BankSA has processed this request will earn points under the program from which you are switching as set out in that program's terms and conditions.
- If you are switching from Amplify Rewards to Amplify Qantas, points earned under Amplify Rewards must be redeemed within 90 days of the program switch being processed or they will be forfeited.
- If you are switching from Amplify Rewards to Amplify Qantas, a \$75 annual Qantas Rewards Program Fee applies. This fee is charged annually at the same time as your Annual Card Fee.
- If you are switching from Amplify Qantas to Amplify Rewards, Qantas Points earned before the program switch is processed will be transferred to the nominated Qantas Frequent Flyer membership account as usual.
- Your request for a rewards program switch does not change your credit card contract with BankSA other than to apply the new program terms and conditions to your earning of rewards points by use of your card(s) and existing credit card account.
- The interest rates, interest-free period, card fee and other fees and charges that apply to your card account will be unchanged.
- The credit limit on your card(s) will be unchanged.

You also acknowledge that, if BankSA agrees to your request to link your card(s) to the new program and to de-link your card(s) from the Amplify rewards program to which your card(s) are currently linked:

- BankSA will process the request within 10 business days. Any points earned during the period between the request for a program switch and the date the switch occurs will be earned in the rewards program you are switching from.
- You will not be issued with new card(s) and your card number will remain the same.
- If you have an Autopay facility or credit card insurance on your existing credit card account, it will continue to apply to the credit card account.
- The rewards program switch when processed will also apply to any additional cards issued under your existing credit card account.

By signing below, you request to switch the rewards program linked to your Amplify cards and agree to the acknowledgements and consents listed above.
