PART B

Complimentary International Medical Travel Insurance PDS

Group Policy

This Complimentary International Medical Travel Insurance is made available pursuant to the Group Policy issued to Westpac (on behalf of the Bank). Activation of the cover under this section does not establish an insurance contract or create a retail insurance relationship between you and the Bank, Allianz Global Assistance or Allianz.

Any references in this Part B – Complimentary International Medical Travel Insurance to the cover provided in Part C – Comprehensive International Travel Insurance do not form part of the wording of this Part B and are included for information purposes only.

Part B – Complimentary International Medical Travel Insurance is a PDS which describes the complimentary insurance benefits provided by Allianz which are available to cardholders and other eligible beneficiaries. This Complimentary International Medical Travel Insurance applies to cover that is activated on or after 1 April 2027.

For general enquiries call Allianz Global Assistance. Allianz Global Assistance issues and manages the Group Policy on behalf of Allianz.

The cover described in this Part B – Complimentary International Medical Travel Insurance is available for your benefit subject to activation and eligibility criteria being met, under a Group Policy entered into between Allianz Global Assistance on behalf of Allianz and Westpac (on behalf of the Bank). Westpac (on behalf of the Bank) is the Group Policy owner. When eligible and once activated, you have the benefit of cover as a third party beneficiary by reason of the statutory operation of Section 48 of the Insurance Contracts Act 1984 (Cth). There is no obligation to accept any of these benefits. However, if you wish to claim any of these benefits, you will be bound by the definitions, terms, conditions, exclusions, limits, applicable sub-limits and claims procedures contained in the complimentary cover in Part B.

Please read the PDS for the Complimentary International Medical Travel Insurance carefully and keep it in a safe place. Also please keep detailed particulars and proof of any loss. Examples may include sales receipts and card account statements showing any purchases.

The Bank is not the issuer or insurer of the covers

The Bank is not the issuer or insurer of the Group Policy or the Product Disclosure Statements and neither it nor any of its related corporations guarantee or are liable to pay any of the benefits under the covers available. These benefits are available to the beneficiaries upon meeting the eligibility under these covers. Neither the Bank nor any of its related corporations are Authorised Representatives of Allianz, Allianz Global Assistance or their related companies and the Bank does not receive any commission or remuneration in relation to the covers set out in the Complimentary International Medical Travel Insurance.

Termination or variation of cover

The Bank or Allianz may terminate or agree to vary the terms, conditions and cover available to cardholders under the Group Policy as set out in this Part B. If this occurs, the Bank will give the accountholder at least 30 days' written notice before the termination or change takes effect. The Bank may give less notice, or publish the notice on the Bank's website if:

- there is a minor change with no effect to the cardholders' cover or eligibility criteria (e.g. change of contact details);
- the variation is favourable to the cardholder (in which case the Bank will take reasonable steps to provide written notice as soon as reasonably possible); or
- the Bank and Allianz are reasonably required to act quickly to change the terms of the Group Policy to manage a material and immediate risk arising from:

  a) a potential or actual breach of any law; or

  b) a proposed change in, or interpretation of, a law or any decision, recommendation, regulatory guidance or standard of any court, tribunal, ombudsman service, regulatory or other similar body.

A risk will be considered material and immediate if to protect the Bank's and/or Allianz's legitimate business interests, the Bank and/or Allianz are required to act quickly to change the terms, conditions and/or cover, or terminate the cover, as set out in this Part B.

Where there is a termination or change to the terms, conditions and/or cover as set out in Part B - Complimentary International Medical Travel Insurance, the existing terms, conditions and/or cover will only apply to cover that is activated before the date of the change or termination. Where the Group Policy is terminated, no cover is available for activation after the date of termination. The Bank will provide accountholders with details of any replacement cover and its relevant effective date.

If you have activated your cover, you will be covered under the benefits of the PDS in Part B - Complimentary International Medical Travel Insurance, and, if purchased, the PDS in Part C - Comprehensive International Travel Insurance, for the dates listed on your Letter of Eligibility or Certificate of Insurance regardless of whether the Group Policy has been terminated or varied.

Other Insurances

If you are entitled to receive a benefit or make a claim under another insurance policy (Other Policy) (for example, a travel insurance policy you purchased separately for your overseas journey), in respect of the same loss as your claim under this Group Policy, then, subject to the provisions of the Insurance Contracts Act 1984 (Cth), Allianz is not liable to provide indemnity under this Group Policy until the amount of any indemnity under that Other Policy is exhausted. In other words, any cover made available under this Group Policy in respect of the same loss shall only be excess insurance cover over and above the applicable Other Policy. If you make a claim under another insurance policy and you are not paid the full amount of the claim, then, subject to the provisions of the Insurance Contracts Act 1984 (Cth), the cover made available to you under the Group Policy will make up the difference, to the extent of cover that applies, in accordance with the terms and conditions contained in this Part B. Should we make payment to you for the full amount of the claim, we may seek contribution from your other insurer. In such circumstances, you must give us any information that we reasonably require to help us make a contribution claim from the other insurer.

The above clause does not apply to the purchase of an upgrade to Comprehensive International Travel Insurance) under Part C of this document and will only apply to separately purchased policies.

Before you activate and purchase your Comprehensive International Travel Insurance, we will ask you to list the destinations you intend to visit, including any destination where you will have a transit time or stop-over of more

than 24 hours. However, you don't need to list the destinations where your transit time or stop-over is less than 24 hours.

If you haven't yet decided on all of the destinations you will be visiting, you can list the region(s) you're travelling to instead (rather than trying to work out each destination).

The Certificate of Insurance will list the destination(s), countries, and/or regions you have selected for cover. In addition, the Certificate of Insurance will also list the region/s you can travel to with this cover at no additional cost. Refer to www.allianzpartners.com.au/travel-insurance/regions for our Regions list.

Aside from any destinations where your transit time or stop-over is less than 24 hours, your Comprehensive International Travel Insurance will not provide cover outside of the destination(s), countries and/or regions listed on your Certificate of Insurance.

WHEN DOES MY COVER END?

Cover finishes at the end of your journey or on the end date shown on your Certificate of Insurance, whichever happens first.

AUTOMATIC EXTENSIONS OF COVER

Your cover will be extended at no additional charge if your return to your home has been delayed because of one or more of the following:

- a bus line, airline, shipping line or rail authority you are travelling on, or that has accepted your fare or luggage and personal effects, is delayed; or
- the delay is due to an event that is covered under this Comprehensive International Travel Insurance. If the event causing the delay is not covered under Comprehensive International Travel Insurance, please refer to the section headed **Extending your cover if you are already travelling** of the Comprehensive International Travel Insurance as you may be eligible to extend your original period of cover.

The cover provided under **Benefit 1.4 Accidental Death** on page 54 will not automatically extend for any period more than 12 consecutive months from the start date shown on your Certificate of Insurance, in any circumstances.

The cover will end when you return home or if after assessment of your claim, the reasonable medical advice is that you are medically fit to return to Australia, the cover will end on the date that Allianz Global Assistance would have been able to reasonably facilitate your return to Australia.

EXTENDING YOUR COVER IF YOU ARE ALREADY TRAVELLING

If you are already travelling and would like to be insured for longer than your original period of cover, you will need to apply for cover prior to the expiry of your original Comprehensive International Travel Insurance.

To apply, please contact us on the number shown on the inside front cover of this document to determine your eligibility. Please note that acceptance is not guaranteed and may be subject to certain underwriting requirements. If accepted, an additional premium will apply.

If we accept your application, we will issue you with a new Comprehensive International Travel Insurance which will not be an extension of your original Comprehensive International Travel Insurance.

A new period of cover will apply and you will be issued with a new Certificate of Insurance.

The period of cover on your new Certificate of Insurance cannot exceed 12 months from the start date shown on your new Certificate of Insurance.

Important: Cover under your new Comprehensive International Travel Insurance will not be provided:

- for any pre-existing medical condition covered under your original Comprehensive International Travel Insurance unless you make further application for cover and Allianz Global Assistance agrees to provide cover for your pre-existing medical condition;

- for any medical condition you suffered during the term of your original Comprehensive International Travel Insurance (which will be defined as a pre-existing medical condition under your new Comprehensive International Travel Insurance policy) unless you apply for cover at the time you apply for your new Comprehensive International Travel Insurance and we agree in writing to provide cover for your pre-existing medical condition; or
- for any circumstances that have given (or may give) rise to a claim under your original Comprehensive International Travel Insurance.

Excesses

An excess is an amount which may be deducted from any claim payment we make to you. Please read the following information about the types of excesses which may apply to your Comprehensive International Travel Insurance.

BASE EXCESS

Your Comprehensive International Travel Insurance has a base excess which is shown on your Certificate of Insurance.

The base excess applies to each event causing a payable claim except where the claim is solely payable under any of the following benefits in which case the base excess will not apply:

1.6 Hospital Cash Allowance

3.2 Travel Delay Expenses

4.2 Luggage & Personal Effects Delay Expenses

4.4 Theft of Cash

7.3 Cabin Confinement

7.6 Formal Wear Delay Expenses

7.7 Marine Rescue Diversion

7.12 Piste Closure

You also have the option to vary the amount of the Complimentary International Medical Travel Insurance base excess - refer to the section headed **Varying The Base Excess** in the **Optional Covers** section for details.

OTHER EXCESSES

a) If you apply for cover of your pre-existing medical conditions (and Allianz Global Assistance agrees to provide you with cover), a medical excess may apply to claims arising from those approved pre-existing medical conditions. Where a medical excess applies to a claim, it will replace the base excess, not be additional to it. We will inform you in writing if a medical excess applies and this will be shown on your Certificate of Insurance.

For example: Sam selects a $250 base excess for his Comprehensive International Travel Insurance. Sam applies for cover of a pre-existing heart condition. Allianz Global Assistance agrees to provide cover for this condition and Sam selects a $500 medical excess. If Sam needs to make a claim arising from this condition, the medical excess of $500 will be applied to the claim. However, if Sam needs to make a claim which is not related to any covered pre-existing medical condition, then the $250 base excess will be applied - not the medical excess.

b) In addition to your base excess, a non-removable excess of $500 will apply to any claim payable under Benefits **1.2 Overseas Medical & Hospital Expenses (including Dental)** and **2.1 Cancellation** if you have purchased:

- a Snow Pack and your claim arises from your participation in snow sport activities; or
- an Adventure Pack and your claim arises from your participation in any of the activities listed under the Adventure Pack in the Optional Covers section.

EPIDEMICS AND PANDEMICS (SUCH AS COVID-19)

If during your period of cover, you are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic, such as COVID-19, cover is available to you under the following sections:

1.1 Overseas Emergency Assistance (including Medical Evacuation and Repatriation)

1.2 Overseas Medical & Hospital Expenses (including Dental)

1.3 Funeral Expenses

1.6 Hospital Cash Allowance

2.1 Cancellation

3.1 Additional Expenses

In addition, if you have purchased the optional **Cruise Pack**, cover is available to you under the following sections:

7.1 Medical Cover While Cruising

7.2 Evacuation Cover – Ship to Shore

7.3 Cabin Confinement

7.4 Pre-paid Shore Excursion Cancellation

If you have purchased the optional **Snow Pack**, cover is available to you under the following sections:

7.8 Overseas Emergency Snow Sport Assistance

7.11 Snow Sport Pack

If during your period of cover, your travel companion is positively diagnosed as suffering a sickness recognised as an epidemic or pandemic, such as COVID-19, which impacts your journey, cover is available to you under the following sections:

2.1 Cancellation

3.1 Additional Expenses

In addition, if you have purchased the optional **Cruise Pack**, cover is available to you under the following section:

7.4 Pre-paid Shore Excursion Cancellation

Terms, conditions, exclusions, limits and applicable sub-limits apply. Please refer to the **General Exclusions** section and the exclusions set out in each of the sections listed above. For all other sections and any other claim arising from, or related to, epidemics or pandemics, there is no cover.

PRE-EXISTING MEDICAL CONDITIONS

Pre-existing medical conditions can complicate medical treatment, lengthen your recovery time, and increase medical costs if you are injured or become sick while overseas. The likelihood of needing to cancel your holiday for health reasons is also a possibility. Therefore, it is important that you understand what this Comprehensive International Travel Insurance covers when it comes to your health.

Please ensure that you read the definition of pre-existing medical condition in the section headed **Our Definitions** on pages 135 to 144. The definition makes reference to 'a condition of which a reasonable person in the circumstances, should have been aware at the time of issue of the Certificate of Insurance'. Reference to a reasonable person is a reference to what would be expected of an average person in the circumstances.

Please read the following information carefully.

We will only provide cover for claims which arise directly or indirectly from your pre-existing medical condition if you have disclosed the condition to Allianz Global Assistance and they have agreed in writing to include cover under your Comprehensive International Travel Insurance for the condition. Details of the approved pre-existing medical condition(s) will be set out on your Certificate of Insurance or Medical Terms of Cover document.

If you:

- choose not to disclose any pre-existing medical condition; or
- disclose your pre-existing medical condition to Allianz Global Assistance but do not accept the offer from them to include cover under your Comprehensive International Travel Insurance for your condition,

you won't be covered for any claim that arises from that condition.

INCLUDING COVER FOR YOUR PRE-EXISTING MEDICAL CONDITION

You can apply to include cover under your Comprehensive International Travel Insurance for certain pre-existing medical condition(s) at the time of purchasing your Comprehensive International Travel Insurance. You will need to complete our medical assessment which can be done on-line or by calling the sales and general enquiries number shown on the inside front cover of this document.

If you are pregnant at the time of purchasing your Comprehensive International Travel Insurance, your pregnancy is considered to be a pre-existing medical condition. Please ensure you read the section titled **Travel During Pregnancy** on page 64 for important information about the cover this product provides for pregnancy and when you need to apply for cover for a pre-existing medical condition.

SIGNS OR SYMPTOMS OF UNDIAGNOSED MEDICAL CONDITIONS

If you are experiencing signs or symptoms of a medical condition at the time of purchasing your Comprehensive International Travel Insurance, but

- you have not sought medical advice or a diagnosis;
- you have not been diagnosed;
- you are awaiting a specialist opinion; or
- the signs and symptoms are under investigation, (collectively, undiagnosed medical condition)

you cannot apply to include cover for the undiagnosed medical condition under your Comprehensive International Travel Insurance as a pre-existing medical condition. Examples of undiagnosed signs or symptoms include, but are not limited to, unexplained bleeding, persistent cough, or localised mass or growth.

In these circumstances, the **Pre-existing Medical Conditions** exclusion will be applicable. Refer to the **General Exclusions** on pages 113 and 114 for more details.

If after you have purchased your Comprehensive International Travel Insurance and the medical investigation of your signs or symptoms has been completed and a diagnosis has been made for those signs and symptoms, provided you have not started your journey, you can complete a pre-existing medical assessment relating to the signs or symptoms investigated. Please note that acceptance is not guaranteed. If accepted, an additional premium may apply.

You cannot apply for cover of any pre-existing medical conditions:

- which involve signs or symptoms you are aware of but which have not yet been diagnosed by a medical adviser, or which are under investigation, or are awaiting a specialist opinion; or
- for any person who is not travelling with you on your journey and who will not be listed as an insured person on your Certificate of Insurance.

WHAT HAPPENS ONCE YOU APPLY FOR COVER FOR A PRE-EXISTING MEDICAL CONDITION?

Once you have completed our medical assessment, we will advise you of the outcome. Depending on your pre-existing medical condition(s), Allianz Global Assistance may either:

a) agree in writing to include cover under your Comprehensive International Travel Insurance for your pre-existing medical condition(s) (an additional premium may be payable, and a medical excess may apply); or

b) decline to include cover under your Comprehensive International Travel Insurance for your pre-existing medical condition(s).

Please note that if Allianz Global Assistance declines to provide you with cover for your pre-existing medical condition, you will still need to proceed with the activation process to be eligible for cover for events unrelated to your pre-existing medical condition. If you require cover for your medical condition there may be other options available such as:

- contacting the Insurance Council of Australia (ICA) - the ICA provides a referral service which is available on their website at www.insurancecouncil.com.au. Select 'Find an Insurer' to view a list of general insurers who may be able to provide insurance to suit your requirements. If you have any other questions about pre-existing medical conditions, please call the sales and general enquiries number shown on the inside front cover of this document.

TRAVEL DURING PREGNANCY

If you know you are pregnant at the time of purchasing your Comprehensive International Travel Insurance, and:

- you have had pregnancy complications* with this or a previous pregnancy; or
- you are expecting more than one child,

you will need to apply to include cover under the Comprehensive International Travel Insurance for claims arising directly or indirectly from your pregnancy by completing our medical assessment.

Otherwise, you do not need to tell us about your pregnancy as your Comprehensive International Travel Insurance will automatically provide cover for pregnancy-related claims arising from an unforeseen event, as long as:

- the event occurred prior to the 24th week of your pregnancy; and
- it is not something excluded under the Comprehensive International Travel Insurance.

This automatic cover will also apply if you become pregnant or discover you are pregnant after your Certificate of Insurance has been issued.

Important: the cover provided under this Comprehensive International Travel Insurance in relation to pregnancy is for unforeseen events only. Even if Allianz Global Assistance has included cover under your Comprehensive International Travel Insurance for your pregnancy, this Comprehensive International Travel Insurance will never provide any cover for:

- a pregnancy once it is 24 weeks or more gestation; or
- any expenses for routine or regular antenatal care; or
- childbirth at any stage of your pregnancy or costs relating to the care or health of a newborn child, other than as a result of an accident occurring prior to the 24th week of your pregnancy which:
  - causes you to give birth prematurely; or
  - requires you to be admitted to hospital beyond the 24th week of your pregnancy, during which time your child is born.

*We define 'pregnancy complications' as meaning a medical condition for which the diagnosis is distinct from pregnancy but is caused by or adversely affected by pregnancy.

Please ensure you read all the sections of the Comprehensive International Travel Insurance so that you are aware of the limitations and extent of the cover the Comprehensive International Travel Insurance provides. In particular, please consider the **General Exclusions** on pages 113 to 120 as well as **Our Definitions** on pages 135 to 144 of Part D.

Useful Tips

1. It's a good idea to make sure your doctor and/or midwife are aware of your travel plans.
2. Be aware that due to health and safety requirements, many airlines and ferry/cruise companies have their own restrictions regarding travel during pregnancy.

   Please note that their requirements may be different to the terms and conditions set out in this product.
3. Consider whether this insurance is appropriate for your needs if you are planning to travel beyond 24 weeks' gestation.

If during the period of cover for your journey a relative of yours who resides in Australia or New Zealand:

- dies or is admitted to hospital in Australia or New Zealand as a result of a pre-existing medical condition, and
- at the time of the issue of your Comprehensive International Travel Insurance you were, or a reasonable person in your circumstances would have been, unaware of the likelihood of their dying or being admitted to hospital,

2.1.2 What we do not cover

To the extent permitted by law we will not pay your claim if:

a) you were aware, or a reasonable person in your circumstances would have been aware before your Comprehensive International Travel Insurance was issued, of any reason that may cause your journey to be cancelled, rescheduled or shortened;

b) caused by the death, injury or illness of any person, including a relative of yours or of your travel companion, who resides outside of Australia or New Zealand, unless they are listed as an insured person on your Certificate of Insurance;

d) caused by you or your travel companion changing plans;

3.1 ADDITIONAL EXPENSES

We will reimburse reasonable additional travel and accommodation expenses if you or your travel companion cannot continue your journey, need to return to Australia, or your journey is otherwise disrupted due to any of the events described under subsections **3.1.1 a)** to **f)**.

Explanation – Travel expenses & Accommodation expenses

- Travel expenses refers to expenses directly related to transport, such as airfares, rail fares, bus fares, taxi fares, and rideshare services.
- Accommodation expenses refers to the room rate of a hotel or any other kind of lodging for which you make a reservation and does not include expenses such as meals, drinks, room service, and laundry.

3.1.1 What we cover

a) Additional travel & accommodation expenses due to your incapacity

If you cannot continue your journey because of an injury, sickness (including if you are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic such as COVID-19) or pre-existing medical condition (that we have approved cover for in writing) that needs immediate and continued treatment from a medical adviser and is covered by this Comprehensive International Travel Insurance, we will reimburse your reasonable additional travel and accommodation expenses. To provide proof of incapacity and inability to travel, where reasonably practicable, you should obtain written confirmation from the treating medical adviser. Please call Allianz Global Assistance to confirm approval for these expenses. Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced. Such approval will not be unreasonably withheld or delayed.

b) Additional travel & accommodation expenses due to your travel companion's incapacity

If your travel companion cannot continue their journey because of an injury or sickness (including if your travelling companion is positively diagnosed as suffering a sickness recognised as an epidemic or pandemic such as COVID-19) (but not a pre-existing medical condition) that needs immediate and continued treatment from a medical adviser and would be covered by this Comprehensive International Travel Insurance, we will reimburse your reasonable additional travel and accommodation expenses for you to remain with your travel companion. To provide proof of your travel companion's incapacity and inability to travel, where reasonably practicable, they should obtain written confirmation from their treating medical adviser. Please call Allianz Global Assistance to confirm approval for these expenses. Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced. Such approval will not be unreasonably withheld or delayed.

c) Emergency travel & accommodation expenses for a necessary companion

If during the period of cover available for your journey, you are admitted to hospital with a life threatening or other serious medical condition covered by this Comprehensive International Travel Insurance, or are evacuated for medical reasons covered by your Comprehensive International Travel Insurance, we will reimburse the reasonable travel and accommodation expenses for a relative or friend to travel to you, stay near you, or escort you. The relative or friend must travel to you, stay near you, or escort you on the recommendation of your treating medical adviser and with the prior agreement of Allianz Global Assistance for which approval will not be unreasonably withheld or delayed. Please call Allianz Global Assistance for approval before any expenses are incurred. Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced.

d) Return home on medical advice

If you shorten your journey and return to Australia on the advice of your treating medical adviser and with the approval of Allianz Global Assistance, such approval will not be unreasonably withheld or delayed, we will reimburse your reasonable additional travel and accommodation expenses. We will only pay the cost of the fare class that you had originally planned to return home on and you must take advantage of any pre-arranged return travel to Australia. Please call Allianz Global Assistance to confirm approval for these expenses.

e) Return home due to relative's death or hospital admission

If you need to return to Australia earlier than planned because, during the period of cover for your journey:

- your travel companion dies unexpectedly or is admitted to hospital as a result of a serious injury or illness; or
- a relative of yours or of your travel companion, who resides in Australia or New Zealand dies unexpectedly or is admitted to hospital in Australia or New Zealand as a result of a serious injury or illness,

we will reimburse your reasonable additional travel and accommodation expenses up to the limit shown in the **Table of Benefits** on page 54, except if the death, injury or illness arises from a pre-existing medical condition.

If the death, injury or illness arises from a pre-existing medical condition, the most we will pay for all claims under subsection **3.1.1. e)** will be $2,000 for a cardholder or $2,000 per person to a maximum total limit of $4,000 for a cardholder travelling with their spouse, but only if at the time of issue of your Comprehensive International Travel Insurance you were, or a reasonable person in your circumstances would have been, unaware of the likelihood of their dying or being admitted to hospital.

Please call Allianz Global Assistance to confirm approval for these expenses.

f) Additional travel and accommodation expenses due to specified events

If a disruption to your journey arises from any of the following reasons during the period of cover:

- your scheduled or connecting transport is cancelled, delayed, rescheduled or diverted because of a strike, riot, hijack, civil protest, weather, natural disaster or accident affecting your mode of transport;
- you unknowingly break any quarantine rule;
- you lose your passport, travel documents or transaction cards or they are stolen; or
- you need to return to Australia early because your home is rendered uninhabitable by fire, explosion, earthquake or flood,

we will reimburse your reasonable travel and accommodation expenses. We will only pay the fare class that you had originally planned to travel on and you must take advantage of any prearranged travel.

Please call Allianz Global Assistance to confirm approval for these expenses.

If we pay your claim for additional travel expenses to return to your home and you do not have a return ticket booked to Australia before the event causing your claim occurred, we will reduce the amount of your claim by the price of the fare to Australia from the place you planned to return to Australia from. The fare will be at the same fare class as the one you left Australia on.

Whenever claims are made by you under Benefits 3.1 Additional Expenses and 2.1 Cancellation for cancelled services/ facilities or alternative arrangements for the same or similar services/facilities, we will pay for the higher of the two amounts, not both.

Note: If Allianz Global Assistance arranges your travel or accommodation under Benefit 3.1 Additional Expenses, any claim payable to you under 2.1 Cancellation for the same or similar services/facilities will be reduced by the amount Allianz Global Assistance incurred in arranging your travel or accommodation.

Example – Additional Expenses vs Cancellation

An unforeseen medical event means you need to change your journey. Your original trip costs are:

- Flights $2,000
- Accommodation $1,000

To continue your journey you need to spend $2,500 for new flights and $500 on accommodation. Your airline gives you a full refund for the original flights and you are only able to get a $250 refund on your accommodation.

Allowable claim:

- Flights $500 - new flights $2,500 less refund of $2,000 from original flights
- Accommodation $750 - original accommodation of $1,000 less $250 is higher than new accommodation of $500.

Your claimable amount will be $1,250.

This will put you back in your original financial position. Note that any applicable excess will be deducted from the claimable amount.

3.1.2 What we do not cover

To the extent permitted by law, we will not pay your claim if:

a) you were aware, or a reasonable person in your circumstances would have been aware, of any reason, before your period of cover commenced, that may cause your journey to be cancelled, disrupted or delayed;

b) caused by the death, injury or illness of your relative arising from a pre-existing medical condition, except as specified under sub-section **3.1.1 e)**;

c) you can recover your additional travel and accommodation expenses from anyone else. If you are not paid the full amount of your claim, we will make up the difference, up to the amount this Comprehensive International Travel Insurance covers your for;

d) your claim relates to the financial collapse or insolvency of any service provider;

e) caused by any service provider misappropriating your funds or failing to arrange or provide services for which you have paid;

f) for cancellations, delays, rescheduling or diversions to your scheduled or connecting transport unless due to a strike, riot, hijack, civil protest, weather, natural disaster or accident affecting your mode of transport; or

g) your claim arises directly or indirectly out of you operating a rental vehicle in violation of the rental vehicle agreement.

We will pay up to $300 for a cardholder or $300 per person for a cardholder travelling with their spouse (up to a maximum limit of $600) after the initial 6 consecutive hour delay, as well as for each subsequent consecutive 24 hours that the delay continues.

Explanation - Accommodation expenses

3.3 ALTERNATIVE TRANSPORT EXPENSES

3.3.1 What we cover

If your scheduled transport is cancelled, delayed, shortened or diverted during the period of cover and that means you would not arrive on time to a wedding, funeral, prepaid airline/rail travel, pre-paid tour/cruise, pre-paid conference, pre-paid sporting event, pre-paid

concert/cultural event or pre-paid accommodation which, before you left Australia, you had planned to attend or utilise while you are overseas, we will pay your reasonable additional travel expenses to enable you to arrive on time.

Explanation - Travel expenses

refers to expenses directly related to transport, such as airfares, rail fares, bus fares, taxi fares, and rideshare services.

3.3.2 What we do not cover

b) is caused by the financial collapse or insolvency of any service provider.

Please ensure you also read all the sections of the Comprehensive International Travel Insurance - in particular, consider the **General Exclusions** on pages 113 to 120 and **Our Definitions** on pages 135 to 144 in Part D.

4.1 LUGGAGE, PERSONAL EFFECTS & VALUABLES

You must take all reasonable precautions to safeguard your luggage and personal effects and your valuables. If you do not, we will not pay your claim. For example, you will not be taking reasonable precautions if you leave your belongings in a public space:

- at such a distance from you that you are unable to prevent them being taken; or
- with a person who is not named on your Certificate of Insurance, or who is not a travelling companion or a relative (or if these persons fail to take all reasonable precautions to safeguard your luggage and personal effects or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them.

4.1.1 What we cover

a) Cover is provided for your luggage and personal effects or valuables if, during the period of cover for your journey, they are stolen, accidentally damaged or are permanently lost, unless they are:

- left in any vehicle (other than as stated in sub-section **4.1.1 c)**); or
- sporting equipment while it is in use; or
- valuables which have been:
  - left in a vehicle at any time (even if they were in a concealed storage compartment), or
  - checked in to be transported in the cargo hold of any aircraft, ship, train, tram or bus, including any loss or damage which occurs during the time after check-in but prior to you collecting your items from the designated collection area, in which case no cover will be provided under this benefit.

The amount we will pay will be the lesser of:

- the depreciated value after allowing for age, wear and tear (see the **Depreciation** section on pages 129 and 130 for more detail);
- the original purchase price; the replacement cost; or
- the repair cost,

limited to a maximum amount for any one item of:

- $3,000 for personal computers, tablets, cameras or video cameras;
- $1,000 for mobile phones (including smart phones and any items with phone capabilities); or
- $750 for all other items (including jewellery and watches),

up to the benefit limit shown in the **Table of Benefits** for your Comprehensive International Travel Insurance on page 55.

We will not apply depreciation to any item we pay for where less than 12 consecutive months have elapsed since the item was purchased new.

A pair or related set of items are considered to be only one item for the purpose of this insurance and the relevant single item limit will be applied.

For example: a pair or related set of items could include, but not be limited to, the following:

- a camera, lenses (attached or not), tripod and accessories;
- a matched or unmatched set of golf clubs, golf bag and buggy; or
- a pair of earrings.

b) If you have purchased the optional Increased Item Limits Cover, the item limits set out in sub-section **4.1.1 a)** will not apply to those item types shown on your Certificate of Insurance. Depreciation will also not be applied to any item types for which you have purchased Increased Item Limits Cover.

The maximum amount we will pay for any one item (including a pair or related set of items as shown in the example in sub-section **4.1.1 a)**) is up to the increased item limit shown on your Certificate of Insurance.

The maximum we will pay for all claims combined under Benefit 4.1 Luggage, Personal Effects & Valuables is the benefit limit shown in the **Table of Benefits** for this Comprehensive International Travel Insurance on page 55, even if you have purchased **Increased Item Limits Cover**.

c) Any luggage and personal effects left in a vehicle will only be covered during daylight hours and only if the items were placed in a concealed storage compartment of a locked vehicle. In the event of theft, forced entry must have been made to the vehicle.

The most we will pay in the event of a payable claim under **4.1.1 c)** is $200 for each item, and $2,000 in total for all stolen items, even if you have purchased the optional Increased Item Limits Cover. No cover is available for valuables left in a vehicle at any time.

The maximum amount we will pay for all claims combined under this benefit is the benefit limit shown in **Table of Benefits**, even if you have purchased the optional **Increased Item Limits Cover**.

We expect you to report any loss or theft to the police or an office of the bus line, airline, shipping line or rail authority you were travelling on when the loss or theft occurred.

You should make reasonable efforts to obtain confirmation from whoever you made the report to. This may be the easiest way to provide evidence of the loss or theft.

We may be entitled to reduce your claim if you unreasonably delay or fail to make a report. A reduction in your claim may occur to the extent of the amount of prejudice we have suffered caused by your delay.

4.1.2 What we do not cover

To the extent permitted by law, we will not pay a claim in relation to your luggage and personal effects or valuables if:

a) the loss, theft or damage is to, or of, items which have been left behind in any aircraft, ship, train, tram, taxi, ride share or bus, or in any hotel or motel room after you have checked out;

b) the luggage and personal effects or valuables were being sent unaccompanied by you or under a freight contract;

c) the loss or damage arises from any process of cleaning, repair or alteration;

d) the loss or damage arises from ordinary wear and tear, inherent defect, deterioration, atmospheric or weather conditions, insects, rodents or vermin;

e) you do not take all reasonable precautions to safeguard your luggage and personal effects or valuables. For example, you will not be taking reasonable precautions if you leave your belongings in a public space:

- at such a distance from you that you are unable to prevent them being taken; or
- with a person who is not named on your Certificate of Insurance, or who is not a travelling companion or a relative (or if these persons fail to take all reasonable precautions to safeguard your luggage and personal effects or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them;

f) the luggage and personal effects or valuables have an electrical or mechanical breakdown;

g) the damage relates to:

- items which are fragile or brittle;
- cracking or breakage of the screen of mobile phones, smart watches, laptops or tablets; or
- an electronic component which is broken or scratched,

other than where:

- the item is the lens of spectacles, binoculars or photographic or video equipment; or
- the damage was caused by a crash involving a vehicle or carrier in which you are travelling; or

h) you are entitled to be reimbursed by the bus line, airline, shipping line or rail authority you were travelling on when the loss, theft, misplacement or damage occurred. However, if you are not reimbursed the full amount of your claim, we will pay the difference between the amount of your loss and what you were reimbursed, up to the limit of your cover in the **Table of Benefits** (allowing for depreciation due to age, wear and tear if. See the **Depreciation** section on pages 129 and 130 for more details.).

Please ensure you also read all the sections of the Comprehensive International Travel Insurance - in particular, consider the **General Exclusions** on pages 113 to 120 and **Our Definitions** on pages 135 to 144 in Part D.

4.2.1 What we cover

If during the period of cover your luggage and personal effects are delayed, misdirected or misplaced by the carrier for more than 10 consecutive hours (except on the final leg of your journey to your home), we will reimburse you for the reasonable expenses you incur up to the amount shown in **Table of Benefits** to purchase essential items of clothing or other personal items.

You should make reasonable efforts to obtain confirmation from the carrier who was responsible for your luggage and personal effects confirming that your items were delayed, misdirected or misplaced. This may be the easiest way to provide evidence of the delay.

If your items are not returned to you and are considered to be permanently lost, we will deduct the amount we have paid you under this benefit from any payable claim you have made under **Benefit 4.1 Luggage, Personal Effects & Valuables** for those items.

4.2.2 What we do not cover

To the extent permitted by law, we will not pay if you are entitled to compensation from the carrier you were travelling on for the relevant amount claimed.

However, if you are not reimbursed the full amount, we will pay the difference between the amount of your expenses and what you were reimbursed, up to the limit of your cover.

Please ensure you also read all the sections of the Comprehensive International Travel Insurance - in particular, consider the **General Exclusions** on pages 113 to 120 and **Our Definitions** on pages 135 to 144 in Part D.

4.3 TRAVEL DOCUMENTS, TRANSACTION CARDS & TRAVELLERS CHEQUES

4.3.1 What we cover

If during the period of cover for your journey, you lose any essential travel documents (including passports), transaction cards or travellers cheques, or they are stolen from you or destroyed, we will reimburse you up to the amount shown in **Table of Benefits** for:

- the issuer's fees for any replacement costs (including communication costs) of the items which have been lost, stolen or destroyed; and/or

- any loss resulting from fraudulent use of your lost or stolen transaction cards or travellers cheques other than those amounts covered by any guarantee given by the bank or issuing company to you as the holder of the transaction cards or travellers cheques.

Where reasonably practicable, we expect you to report any loss or theft to the police and, in the case of transaction cards or travellers cheques, to the issuing bank or company in accordance with the conditions under which the transaction cards or travellers cheques were issued.

You should make reasonable efforts to obtain confirmation from whoever you made the report to. This may be the easiest way to provide evidence of the loss or theft.

We may be entitled to reduce your claim if you unreasonably delay or fail to make a report. A reduction in your claim may occur to the extent of the amount of prejudice we have suffered caused by your delay.

Please ensure you also read all the sections of the Comprehensive International Travel Insurance - in particular, consider the **General Exclusions** on pages 113 to 120 and **Our Definitions** on pages 135 to 144 in Part D.

Where reasonably practicable, we expect you to report the theft to the police or an office of the bus line, airline, shipping line or rail authority you were travelling on when the theft occurred.

You should make reasonable efforts to obtain confirmation from whoever you made the report to. This may be the easiest way to provide evidence of the theft.

7.1 MEDICAL COVER WHILE CRUISING

You have this cover if you purchased the optional **Cruise Pack**. See the Optional Covers section for details.

7.1.1 What we cover

a) If while on your cruise during the period of cover, you injure yourself, or become sick (including if you are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic such as COVID-19), we will reimburse the reasonable medical or hospital expenses you incur until you return to Australia provided the relevant injury or sickness is covered by your policy. The medical or hospital expenses must have been incurred for treatment given or prescribed by a medical adviser.

b) If during the period of cover, you require treatment while on a cruise, for a pre-existing medical condition for which we have agreed in writing to provide cover, we will reimburse the reasonable medical or hospital expenses you incur until you return to Australia. The medical or hospital expenses must have been incurred for treatment given or prescribed by a medical adviser; however we will not pay for the cost of medication you were on, or the cost of a course of treatment you were receiving at the time your journey began.

We will pay for treatment received and/or hospital accommodation you require until either:

- you return to Australia; or
- a maximum period of 12 consecutive months after the sickness first presented itself, or the injury occurred, or the pre-existing medical condition we agreed in writing to cover required treatment, has been reached,

whichever happens first.

If after assessment of your claim, the reasonable medical advice indicates that you should return to Australia for treatment and you do not agree to do so, we will pay you a reasonable amount up to the limit shown under the **Cruise Pack Table of Benefits**, equivalent to:

- your medical expenses and/or related costs incurred overseas, including those incurred while on-board the cruise, until the date that we would have been able to reasonably facilitate your return to Australia; plus
- the reasonable amount it would cost to facilitate your return to Australia; plus
- the non-refundable portion of unused travel and accommodation arrangements you would have lost had you followed the advice of Allianz Global Assistance.

You will then be responsible for any ongoing or additional costs relating to or arising out of the event you have claimed for.

Dental Treatment while Cruising

Subject to the conditions above, we will cover dental expenses that are:

Due to an injury: due to an injury if you are involved in an accident while you are on your cruise and require treatment as provided under sub-section **7.1.1**. We will also pay the necessary costs incurred on the cruise and/or overseas to repair damage to your teeth caused by injuries you sustained in the accident.

Due to sudden onset of pain: due to sudden onset of dental pain that requires urgent treatment while you are on your cruise.

For cover to apply:

- the tooth or teeth being treated must be healthy natural teeth (including teeth restored with fillings) with no impairment, periodontal or other conditions; and
- the treatment is prescribed by the treating dentist solely for the immediate relief of sudden and acute onset of pain due to either an infection or you biting on something which caused the tooth to chip or break.

7.1.2 What we do not cover

To the extent permitted by law, we will not pay for costs or expenses:

a) when you have not notified Allianz Global Assistance as soon as practicable of your admittance to hospital;

b) that relate to treatment exceeding more than 2 weeks by a dentist unless approved by Allianz Global Assistance, such approval shall not be unreasonably withheld or denied. Please contact Allianz Global Assistance to obtain approval for these costs;

c) that you would not have incurred had you followed the reasonable advice of Allianz Global Assistance unless you can show the expense was necessarily incurred in circumstances beyond your control;

d) for damage to dentures, dental prostheses, bridges or crowns;

e) relating to dental treatment involving the use of precious metals or for cosmetic dentistry;

f) for dental treatment caused by or related to the deterioration and/or decay of teeth; or

g) for preventative dental treatment.

The maximum amount we will pay is the sub-limit shown in the **Cruise Pack Table of Benefits** for **Evacuation Cover – Ship to Shore**.

You must take all reasonable steps to co-operate at all times in relation to providing supporting evidence and such other information that may reasonably be required.

You must take all reasonable steps to give any information Allianz Global Assistance reasonably asks for to support your claim at your expense. Examples of information to support your claim includes police reports, valuations, medical reports, original receipts or proof of purchase and ownership. If you unreasonably delay or fail to make a report and we are prejudiced by your delay or failure, we may be entitled to reduce your claim by the amount of prejudice we have suffered.

d) For damage or misplacement of your luggage and personal effects, caused by the airline or any other operator or accommodation provider, report the damage or misplacement to an appropriate official as soon as reasonably possible and take all reasonable steps to obtain a written report, including any offer of settlement that they may make.

Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced. Approval will not be unreasonably withheld or delayed.

Please note that we will not pay for any hospital, medical or dental costs you incur in Australia.

This is because we are not licensed to pay these costs in Australia. Therefore, you should treat them as you would any other health-related costs you incur when you aren't travelling, such as claiming through Medicare or your private health insurer.

You can choose your own doctor

Unless you are treated under a Reciprocal Health Care Agreement you are free to choose your own medical adviser or, if you ask them to, Allianz Global Assistance can appoint a medical adviser to see you, subject to the 'Private Medical Treatment' exclusion on page 34 and 115.

If you do not get the medical treatment you expect, Allianz Global Assistance can assist you but neither Allianz nor Allianz Global Assistance are liable for anything that results from that.

DEPRECIATION

The following information on Depreciation relates only to Part C Comprehensive International Travel Insurance and does not form part of Part B Complimentary International Medical Travel Insurance

When taking into consideration the age of a covered item we will deduct the following amounts from our settlement for each item you have claimed under the Comprehensive International Travel Insurance:

- For toiletries and medication (including skin care, make-up, perfume, deodorant and aftershave) we will deduct 50% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For mobile phones, smart phones, electrical devices, communication devices, all computers (including laptops and tablets), photographic equipment and electronics equipment we will deduct 20% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For clothing, footwear, luggage and books we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For camping, sporting and leisure equipment (but not leisure clothing) and musical instruments we will deduct 10% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For jewellery we will not make any deduction;
- For all other items we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%.

For example:

You have a $500 digital camera that was purchased 2 years before the date it was lost. The rate of depreciation would be 20% per year.

In settlement of your claim we would pay you $300 (i.e. we will depreciate the value of the digital camera by 20% of the purchase price for each of the 2 years you have owned it), calculated as follows:

Year 1 - Purchase price of $500
less 20% ($100) = **$400**

Year 2 - Depreciated value of $400
less 20% of the purchase price ($100) = **$300**.

HOW GST MAY AFFECT YOUR CLAIM

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

The following paragraph relates only to Part C Comprehensive International Travel Insurance and does not form part of Part B Complimentary International Medical Travel Insurance

If you are entitled to claim an input tax credit in respect to any premium you have paid relating to the Comprehensive International Travel Insurance you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may have a liability for GST if we pay you an amount under your Comprehensive International Travel Insurance.

CLAIMS ARE PAYABLE IN AUSTRALIAN DOLLARS TO YOU

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense. Payment will be made by direct credit to a bank account nominated by you.

YOU SHOULD NOT ADMIT FAULT OR LIABILITY BEFORE CONSULTING US

You should not admit that you are at fault for any accident, incident or event causing a claim under your Complimentary International Medical Travel Insurance or Comprehensive International Travel Insurance, and you must not offer or promise to pay any money, or take any steps in relation to any legal action, without the approval of Allianz Global Assistance. Such approval will not be unreasonably withheld or delayed. If you do, we may reduce or refuse your claim to the extent we are prejudiced.

When making a claim you have a responsibility to assist us and to act in an honest and truthful manner.

If any claim is fraudulent in any way or if you or anyone acting on your behalf uses fraudulent means to make a claim on the cover described in Complimentary International Medical Travel Insurance or Comprehensive International Travel Insurance, then no payment will be made in regard to the claim. Also, the Bank will be informed of the situation and you may no longer be eligible for the cover described in this Complimentary International Medical Travel Insurance or Comprehensive International Travel Insurance.

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise. We encourage the community to assist in the prevention of insurance fraud.

You can help by reporting insurance fraud by calling Allianz Global Assistance on 1800 453 937. All information will be treated as confidential and protected to the full extent under law.

If you are aware of any third party that you or we may recover money from, you must take reasonable steps to inform us of such third party.

When making a claim you should tell us about any other insurance under which you are or might be able to claim.

We may, at our discretion, undertake in your name and on your behalf, control and settle proceedings for our own benefit in your name to recover compensation or secure indemnity from any party in respect of anything covered by this Complimentary International Medical Travel Insurance or Comprehensive International Travel Insurance. We will act reasonably having regard to your interests, and will keep you informed if you ask us to.

You are to assist and permit to be done, everything reasonably required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under this Complimentary International Medical Travel Insurance or Comprehensive International Travel Insurance regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss. These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of this Complimentary International Medical Travel Insurance or Comprehensive International Travel Insurance.

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. to us, our costs (administration and legal) arising from the recovery.
2. to us, an amount equal to the amount that we paid to you under your Complimentary International Medical Travel Insurance or Comprehensive International Travel Insurance.
3. to you, your uninsured loss (less your excess).
4. to you, your excess.

Once we pay your total loss, we will pay you the balance of any money left over.
